I have come to understand that there are vacancies for the posts of Grama Sevaks in connection with the Rural Welfare work now extended to Sullia Hirkka. I have appeared for the S.S.L.C examination and passed in all the subjects except in English and have already decided to appear in the Insuring examination in March 1952. I am aged 23 years now. I offer myself to apply for the above posts as one of the candidate.

In this connection I wish myself to state that I am a Social Worker and can speak Kannada fluently. While studying in the Puttur Board High School I had the opportunity to serve as the Secretary of the School Debating Society in the year 1949-50. Besides this, I am a Village worker and have much faith in Gandhiji's constructive programme. I know spinning and have introduced twelve spinning wheels in my village.

So, I request that I may be kindly appointed as one of the Grama Sevaks going to be recruited. I shall assure that I will discharge my duties to the entire satisfaction of my superiors and the public.
